

The Primary PE and Sport Premium

Spalding St Paul's Primary

Commissioned by

Department for Education

Created by

It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the Quality of Education judgement, Ofsted inspectors consider:

Intent - Curriculum design, coverage and appropriateness

Implementation - Curriculum delivery, teaching (pedagogy) and assessment

Impact - Attainment and progress

To assist schools with common transferable language, this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make additional and sustainable improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offers
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school’s budget should fund these.

Please visit <https://www.gov.uk/guidance/pe-and-sport-premium-for-primary-schools> for the revised DfE guidance, including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to publish details of how they spend this funding, including any underspend from 2021/2022, as well as on the impact it has on pupils’ PE and sport participation and attainment.

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31 July 2023.

Spalding St Paul's Primary

Evidencing the Impact of Primary PE and Sport 2023-2024

Our Vision for the Primary PE and Sport Premium

Our vision is that ALL pupils leaving Spalding St Paul's Primary School will be physically literate and have the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.

In all subjects, we want our pupils to be:

- ✓ Confident Communicators
- ✓ Resilient Researchers
- ✓ Aspirational Ambassadors
- ✓ Collaborative Citizens

Our School Sporting Vision

Our vision and objectives are underpinned by our school values:

Positive early experiences will inspire children to discuss PE and school sport confidently. During lessons, children will be asked a range of open questions to elicit their understanding and will be challenged to evaluate their performances and discuss their tactical decisions. Children will explain their thinking using specific PE vocabulary.

We are
**Confident
Communicators**
We listen and share our ideas
confidently.

LISTENING SPEAKING

We are
**Resilient
Researchers**
We don't give up and learn from
our mistakes.

PROBLEM SOLVING CREATIVITY

Children will learn new skills, games and tactics as they enjoy a range of sports in their PE lessons and sporting competitions. They will have access to a range of equipment and high quality teaching, with the opportunity to build their own games too. This wide range of activity will inspire increased participation in competitive sport.

PE and School Sport will give pupils the opportunity to extend their experiences of the sporting world around them, helping them to develop their enjoyment and love for physical activity, with the aim to encourage positive early experiences to inspire lifelong participation and active lifestyles. Children will aim high in competition too.

We are
**Aspirational
Ambassadors**
We strive to be the best we can
be.

AIMING POSITIVE AIMING HIGH

We are
**Collaborative
Citizens**
We work together and respect
others.

LEADERSHIP TEAMWORK

Children will be given the opportunity to participate in teams as well as lead them. They will represent the school in sporting competitions. Events such as inter-house games and Sports Day will facilitate participation for all in these teamwork opportunities. This in turn will raise the profile of PE and sport across school.
