

Dear parents and carers

In Reception class, we love sharing books together! We would like to give you the opportunity to borrow a book each week, to share with your child at home. We are going to have a basket of books for you to choose from. Every **Tuesday after school**, we will open the gate a little earlier, so you can come to choose a book with your child. **Due to Covid-19, we will follow this procedure:**

*One parent comes in to our outdoor area, socially distanced from our staff. Please wear a face covering. Please sanitise your hands on entry to our outdoor area. With your child, please choose a book from the basket. Record your name, book title and the date, on your child's page in the folder (as seen below). Leave the outdoor area with your child, socially distanced from our staff and other parents.*

Reading for pleasure at home 😊

Child's name:

Book title	Date borrowed	Signature	Date returned	Signature

***The following Tuesday, follow the above procedure, but first place your finished book in the Returned Books basket, to be quarantined.***

Please look after and enjoy your child's chosen book. Please write in your child's Reading Record when you have shared this book together.

Many thanks for your continued support.

Mrs Ward, Mrs West & Mrs Callow 😊
